Methuen's Forces Whipped  
Them Near Belmont.

THE BURGHERS' LOSS WAS HEAVY.

British Also Had Number Killed and Wounded—Methuen Buried Many Boer Dead, but Most Were Carried Off. Praised Burghers' Courage.

LONDON, Nov. 24.—The secretary of war received the following dispatch through General Forestier-Walker from General Methuen, dated Belmont, Nov. 23:

"Attacked the enemy at daybreak this morning. He was in a strong position. Three ridges were carried in succession, the last attack being prepared by shrapnel. Infantry behaved splendidly and received support from the naval brigade and artillery. The enemy

LIEUTENANT GENERAL LORD METHUEN.

fought with courage and skill. Had I attacked later I should have had far heavier loss.

"Our victory was complete. Have taken 40 prisoners. Am burying a good number of the Boers, but the greater part of the enemy's killed and wounded were removed by their comrades. Have captured a large number of horses and cows and destroyed a large quantity of ammunition."

"Brigadier General Fetherstonhaugh was severely wounded in the shoulder, and Lieutenant Colonel Crabbe of the Grenadier guards is reported wounded. Our other casualties are the following: "Grenadier guards, Third battalion, killed, Lieutenant Fryer.

"Wounded, Lieutenant Blundell, dangerously.

"Grenadier guards, second battalion, wounded, Lieutenant Leslie, Lieutenant Vaughan, Lieutenant Gordon-Rebow and Lieutenant Russell.

"Reported wounded, Lieutenants Lyon and Cameron.

"Grenadier guards, rank and file, killed, 26; wounded, 36; missing, 13.

"Coldstream Guards, First battalion, wounded, Lieutenant Grant.

"Coldstream Guards, Second battalion, wounded, Lieutenant the Hon. C. Willoughby and Lieutenant Burton, the latter severely.

"Coldstream Guards, rank and file, killed, 8; wounded, 23; missing, 5.

"Scots Guards, First battalion, wounded, Major the Hon. North Dalrymple-Hamilton, severely; Lieutenants Baikie and Alexander.

"Scots Guards, rank and file, killed, 9; wounded, 34.

"Northumberland Fusiliers, First battalion, killed, Captain Regar and Lieutenant Brine.

"Wounded, Major Dashwood and Lieutenant Festing, dangerously; Captain Sapta and Lieutenant Fishbourne, severely.

"Northumberland Fusiliers, rank and file, killed, 13; wounded, 32.

"Northamptonshire Regiment, Second battalion, wounded, Captain Freeland and Lieutenant Barton, severely.

"South Yorkshire Regiment, Second battalion, rank and file, wounded, 3."

The war office received the following dispatch from General Forestier-Walker at Cape Town:

"General Gatacre reports having yesterday (Wednesday) encamped a bat-

talion of mounted rifles near Pattersburg, and that reinforcements of mounted troops, with half a battalion of infantry, arrived at the same camp today.

"The Dutch rising continues in the Broken Nal districts. The police at Molten's report that armed Dutch have left Cradock (Cape Colony) to join the rebels at Broken Nal, taking with them armed natives.

"General French conducted a reconnaissance toward Arundel, which he found held in strength. He withdrew with three men wounded.

"The Boers are reported moving from Natal to the vicinity of Bloemfontein. Telegraphic communication with Belmont has been reopened and a heavy engagement is reported. The postmaster at Hopetown reports that the Kura-man people have defeated the north rebels."

The war office issued a dispatch from Cape Town which was a brief official diary of events at Kimberley from Nov. 12 to Nov. 17. It showed that no serious engagement occurred between those dates, that the British losses had been infinitely small and Boer losses were probably very small. The final entry indicated that the Boers, anticipating the advance of the relief column under General Methuen, had taken up defensive positions to the south of the town.

An official dispatch from Sir Alfred Milner to Mr. Chamberlain reported that thus far the efforts of the Boers to provoke an uprising among the Basutos, or to start a civil war, had been unsuccessful.

DURBAN, Nov. 24.—The Natal Times said:

"During the night attack on Sunday, General White captured several Boer positions, with guns and much material."

## FUNERAL TO BE SIMPLE.

Arrangements Made For Services Over  
Hobart's Remains—Special  
Trains to Paterson.

NEW YORK, Nov. 24.—President McKinley, the members of his cabinet and the judges of the supreme court of the United States will arrive at the Broadway station of the Susquehanna railroad, Paterson, N. J., about 12:50 p. m. Saturday for the purpose of attending the funeral of the late Garrett A. Hobart, vice president of the United States.

Colonel Richard Bright, sergeant-at-arms of the senate, arrived at Paterson for the purpose of making arrangements for their reception. A special train bearing the members of congress will also arrive at Paterson about 1:10 p. m., and the train of the New Jersey state officials is expected to arrive about 1:40 p. m.

The funeral services at Carroll Hall, the home of the late vice president, will be short and simple, the reading of the scriptures and prayer completing the program there. The service at the Church of the Redeemer will occupy less than one hour. Rev. Dr. Magie will preach and prayers will be offered by Rev. Dr. Milburn, the blind chaplain of the senate, and Rev. Dr. Shaw of Paterson. The only vocal music rendered at the church service will consist of two pieces produced by the Orpheus club. Mr. Hobart has been a subscribing member of the club from its inception, about six years ago. One of the pieces will be "Nearer, My God, to Thee," a favorite of Mr. Hobart's, to be sung by request of Mrs. Hobart.

Vice President Hobart during the long illness preceding his death selected his pallbearers. The following persons are believed to have been designated to act in this capacity:

Judge J. Franklin Fort of Newark, Franklin Murphy of Newark, E. T. Bell of Paterson, Colonel William Barber of Paterson, George Warts, secretary of state of New Jersey, and Colonel Joseph W. Congdon of the staff of Governor Voorhees of New Jersey.

The body will be placed in a receiving vault at Cedar Lawn and it will be ten days later before the remains will be interred.

All the federal government offices in the financial district of New York city will be closed tomorrow as a mark of respect to the late vice president. It is also expected that a number of the business exchanges will close in consequence of the funeral.

Attorney General Griggs will entertain the presidential party at his home.

At a special meeting of the board of aldermen Mayor Hunchliffe appointed a committee to entertain the two companies of artillery from Governors Island that will do guard and escort duty during the funeral services. It has been decided that only the members of the Hobart family and immediate friends will accompany the remains of the vice president to Cedar Lawn.

the State on Anti-Trust Legislation and  
Neal For Standard Company—Time  
Given State's Attorneys.

Attorney General Monnett was given an hour in which to make his arguments and Hon. L. T. Neal, who was the only attorney present for the Standard Oil company, made an oral argument.

The court gave the attorneys for the state five days in which to have their arguments in and filed with the court.

## THE CASE OF DR. SCHELL.

Epworth League Board Adopted a  
Report, at Cincinnati.

CINCINNATI, Nov. 24.—The board of control of the Epworth League continued its executive session here. The committee appointed to report what should be done by the board made a report reciting that the Epworth League was being injured by reason of the continued agitation of the case of Dr. Schell, and to the common misconception of the meaning of the resolutions adopted by the board at its meeting at Indianapolis when the case was investigated. The report declared that those resolutions were not intended to charge Dr. Schell with immoral conduct, but only with an impropriety. Long arguments followed a motion to adopt the report.

Dr. Schell is quoted as saying that even if this board decides to ask his resignation he will not resign, but will appeal to the general conference, which meets in May, 1900.

The report of the committee was adopted by a majority vote. The figures of the vote are not given.

Maintenance of the investigation of the case was going on.

## Brotherhood of St. Andrew.

General Secretary John W. Wood presented his resignation at the same meeting of the committee, which was held in Philadelphia. John H. Peyton resigned as army secretary and the army committee was instructed to discontinue its work in the Philippines.

Anti-Administration Resolutions Adopted  
by K. of L. Assembly.

BOSTON, Nov. 24.—The general assembly of the Knights of Labor concluded its business and adjourned to meet in Birmingham, Ala., November, 1900.

The chief feature of the closing sessions was the adoption of resolutions condemning President McKinley's policy on the trust, imperialism and labor questions, declaring him to be the enemy of labor and asking labor to use its influence and votes against him in the coming election.

Resolutions were also adopted denouncing national banks and favoring the abolition of indirect taxation; the abolition of contract system on all public works, the unlimited coinage of silver at the present legal ratio; the establishment of postal deposit and savings banks at every postoffice and the election of president, vice president, supreme court judges and United States senators by the direct vote of the people.

WASHINGTON, Nov. 24.—The statement from Santiago that General Wood is coming to Washington is confirmed in official circles here. Secretary Root admitted that General Wood was coming here on "business," but he declined to indicate its nature. Work Unless Their Demands  
Are Granted.

There was a report current last evening that the machinists would be willing to return to work should the Patterson company give the men the same wages as paid by the Stevenson Co., in Wells-ville, and the Bonnot Co., of Canton, who are competitors of the local concern. A machinist was seen with reference to the above, and said a settlement could only be made on the original terms demanded by the men.

## BOERS WERE ROUTED.

Methuen's Forces Whipped  
Them Near Belmont.

THE BURGHERS' LOSS WAS HEAVY.

British Also Had Number Killed and Wounded—Methuen Buried Many Boer Dead, but Most Were Carried Off. Praised Burghers' Courage.

LONDON, Nov. 24.—The secretary of war received the following dispatch through General Forestier-Walker from General Methuen, dated Belmont, Nov. 23:

"Attacked the enemy at daybreak this morning. He was in a strong position. Three ridges were carried in succession, the last attack being prepared by shrapnel. Infantry behaved splendidly and received support from the naval brigade and artillery. The enemy

LIEUTENANT GENERAL LORD METHUEN, fought with courage and skill. Had I attacked later I should have had far heavier loss.

"Our victory was complete. Have taken 40 prisoners. Am burying a good number of the Boers, but the greater part of the enemy's killed and wounded were removed by their comrades. Have captured a large number of horses and cows and destroyed a large quantity of ammunition."

"Brigadier General Fetherstonhaugh was severely wounded in the shoulder, and Lieutenant Colonel Crabbe of the Grenadier guards is reported wounded. Our other casualties are the following: "Grenadier guards, Third battalion, killed, Lieutenant Fryer.

"Wounded, Lieutenant Blundell, dangerously.

"Grenadier guards, second battalion, wounded, Lieutenant Leslie, Lieutenant Vaughan, Lieutenant Gurdon-Rebow and Lieutenant Russell.

"Reported wounded, Lieutenants Lyon and Cameron.

"Grenadier guards, rank and file, killed, 26; wounded, 36; missing, 13.

"Coldstream Guards, First battalion, wounded, Lieutenant Grant.

"Coldstream Guards, Second battalion, wounded, Lieutenant the Hon. C. Willoughby and Lieutenant Burton, the latter severely.

"Coldstream Guards, rank and file, killed, 8; wounded, 23; missing, 5.

"Scots Guards, First battalion, wounded, Major the Hon. North Dalrymple-Hamilton, severely; Lieutenants Bankely and Alexander.

"Scots Guards, rank and file, killed, 9; wounded, 34.

"Northumberland Fusiliers, First battalion, killed, Captain Regar and Lieutenant Brine.

"Wounded, Major Dashwood and Lieutenant Festing, dangerously; Captain Sapta and Lieutenant Fishbourne, severely.

"Northumberland Fusiliers, rank and file, killed, 13; wounded, 32.

tion of infantry near Patters attack, and that reinforcements of mounted troops, with half a battalion of infantry, arrived at the same camp today.

"The Dutch rising continues in the Broken Nail districts. The police at Molten's report that armed Dutch have left Cradock (Cape Colony) to join the rebels at Broken Nail, taking with them armed natives.

"General French conducted a reconnaissance toward Arundel, which he found held in strength. He withdrew with three men wounded.

"The Boers are reported moving from Natal to the vicinity of Bloemfontein. Telegraphic communication with Belmont has been reopened and a heavy engagement is reported. The postmaster at Hopetown reports that the Kura-man people have defeated the north rebels."

The war office issued a dispatch from Cape Town which was a brief official diary of events at Kimberley from Nov. 12 to Nov. 17. It showed that no serious engagement occurred between those dates, that the British losses had been infinitely small and Boer losses were probably very small. The final entry indicated that the Boers, anticipating the advance of the relief column under General Methuen, had taken up defensive positions to the south of the town.

An official dispatch from Sir Alfred Milner to Mr. Chamberlain reported that thus far the efforts of the Boers to provoke an uprising among the Basutos, or to start a civil war, had been unsuccessful.

DURBAN, Nov. 24.—The Natal Times said:

"During the night attack on Sunday, General White captured several Boer positions, with guns and much material."

## FUNERAL TO BE SIMPLE.

Arrangements Made For Services Over  
Hobart's Remains—Special  
Trains to Paterson.

NEW YORK, Nov. 24.—President McKinley, the members of his cabinet and the judges of the supreme court of the United States will arrive at the Broadway station of the Susquehanna railroad, Paterson, N. J., about 12:50 p. m. Saturday for the purpose of attending the funeral of the late Garrett A. Hobart, vice president of the United States.

Colonel Richard Bright, sergeant-at-arms of the senate, arrived at Paterson for the purpose of making arrangements for their reception. A special train bearing the members of congress will also arrive at Paterson about 1:10 p. m., and the train of the New Jersey state officials is expected to arrive about 1:40 p. m.

The funeral services at Carroll Hall, the home of the late vice president, will be short and simple, the reading of the scriptures and prayer completing the program there. The service at the Church of the Redeemer will occupy less than one hour. Rev. Dr. Magie will preach and prayers will be offered by Rev. Dr. Milburn, the blind chaplain of the senate, and Rev. Dr. Shaw of Paterson. The only vocal music rendered at the church service will consist of two pieces produced by the Orpheus club. Mr. Hobart has been a subscribing member of the club from its inception, about six years ago. One of the pieces will be "Nearer, My God, to Thee," a favorite of Mr. Hobart's, to be sung by request of Mrs. Hobart.

Vice President Hobart during the long illness preceding his death selected his pallbearers. The following persons are believed to have been designated to act in this capacity:

Judge J. Franklin Fort of Newark, Franklin Murphy of Newark, E. T. Bell of Paterson, Colonel William Barber of Paterson, George Warts, secretary of state of New Jersey, and Colonel Joseph W. Congdon of the staff of Governor Voorhees of New Jersey.

The body will be placed in a receiving vault at Cedar Lawn and it will be ten days later before the remains will be interred.

All the federal government offices in the financial district of New York city will be closed tomorrow as a mark of respect to the late vice president. It is also expected that a number of the business exchanges will close in consequence of the funeral.

Attorney General Griggs will entertain the presidential party at his home.

At a special meeting of the board of aldermen Mayor Hunchliffe appointed a committee to entertain the two companies of artillery from Governors Island and that will do guard and escort duty during the funeral services. It has been decided that only the members of the Hobart family and immediate friends will accompany the remains of the vice president to Cedar Lawn.

## STANDARD OIL CASES

Supreme Court Heard Arguments,  
at Columbus.

CONSTITUTIONALITY OF THE LAW.

Attorney General Monnett Argued For  
the State on Anti-Trust Legislation and  
Neal For Standard Oil Company—Time  
Given State's Attorneys.

COLUMBUS, Nov. 24.—The supreme court listened to arguments in the Standard oil cases, involving the constitutionality of the anti-trust law. Attorney General Monnett was given an hour in which to make his arguments and Hon. L. T. Neal, who was the only attorney present for the Standard Oil company, made an oral argument.

The court suggested that it would be well for the attorneys for the state to confine their line of argument, so far as possible, in a reply to a brief filed by the defendants.

The court gave the attorneys for the state five days in which to have their arguments in and filed with the court.

## THE CASE OF DR. SCHELL.

Epworth League Board Adopted a Report,  
at Cincinnati.

CINCINNATI, Nov. 24.—The board of control of the Epworth League continued its executive session here. The committee appointed to report what should be done by the board made a report reciting that the Epworth League was being injured by reason of the continued agitation of the case of Dr. Schell, and to the common misconception of the meaning of the resolutions adopted by the board at its meeting at Indianapolis when the case was investigated. The report declared that those resolutions were not intended to charge Dr. Schell with immoral conduct, but only with an impropriety. Long arguments followed a motion to adopt the report.

Dr. Schell is quoted as saying that even if this board decides to ask his resignation he will not resign, but will appeal to the general conference, which meets in May, 1900.

The report of the committee was adopted by a majority vote. The figures of the vote are not given.

Manitine investigation of the case was going on.

## Brotherhood of St. Andrew.

COLUMBUS, Nov. 24.—At the recent convention of the Brotherhood of St. Andrew, held in this city, the time and place of the next convention was referred to the executive committee and that body has just decided on Richmond, Oct. 10 to 14, 1900. General Secretary John W. Wood presented his resignation at the same meeting of the committee, which was held in Philadelphia. John H. Peyton resigned as army secretary and the army committee was instructed to discontinue its work in the Philippines.

## CONDEMNED THE PRESIDENT.

Anti-Administration Resolutions Adopted  
by K. of L. Assembly.

BOSTON, Nov. 24.—The general assembly of the Knights of Labor concluded its business and adjourned to meet in Birmingham, Ala., November, 1900.

The chief feature of the closing sessions was the adoption of resolutions condemning President McKinley's policy on the trust, imperialism and labor questions, declaring him to be the enemy of labor and asking labor to use its influence and votes against him in the coming election.

Resolutions were also adopted denouncing national banks and favoring the abolition of indirect taxation; the abolition of contract system on all public works, the unlimited coinage of silver at the present legal ratio; the establishment of postal deposit and savings banks at every postoffice and the election of president, vice president, supreme court judges and United States senators by the direct vote of the people.

WASHINGTON, Nov. 24.—The statement from Santiago that General Wood is coming to Washington is confirmed in official circles here. Secretary Root admitted that General Wood was coming here on "business," but he declined to indicate its nature. The Santiago dispatch intimated it was expected he would become civil governor of Cuba.

### EVERY FIVE YEARS.

County Auditors Favor a Change From Decennial Land Appraisalment.

The convention of county auditors at Columbus adopted a resolution favoring a county land appraisalment every five years instead of every ten as at present.

They also resolved that auditors ought to be paid extra for making plats for the land appraisers. They favor the abolition of the state school levy and think school funds should be raised by the counties; the abolition and reduction of boards of equalization from six members to two; and the creation of a judicial fund to relieve overdrawn county funds.

Jones Outlines What They Should Do In Congress—Opposed to Seating Quay.

WASHINGTON, Nov. 24.—Senator Jones, national Democratic chairman, said he thought the Democrats in congress the coming session should fight gold standard legislation, abolition of greenbacks and extension of privileges to national banks. Hawaiians should be admitted to full citizenship. As Christians, we should not force any government on the Cubans or Filipinos without the consent of the government. He does not favor seating Senator Quay.

#### The Kentucky Election.

LOUISVILLE, Nov. 24.—The last of the official returns have now been certified by the official boards of canvassers, and probably within a week the state election commissioners at Frankfort will begin their task. The Jefferson county canvassers heard argument on a motion to throw out the vote of the city of Louisville, on the ground of alleged intimidation by soldiers. The Republicans took the ground that the board had no jurisdiction. This view was sustained. A number of additional indictments were returned by the federal grand jury against alleged violators of election laws.

#### Silver Republicans to Meet.

BLACK FOOT, Ida., Nov. 24.—Former Senator Du Bois, who is chairman of the executive committee of the National Silver Republicans, left for Chicago to attend a meeting of his committee Nov. 28. He said that the bimetallic issue is still the important question and that the next national fight can be won with Bryan and the Chicago platform. He does not think imperialism or expansion will be an issue.

EAST LIVERPOOL, O., FRIDAY, NOV. 24.

FOR PRESIDENT--Second Term.  
WM. M'KINLEY,  
Of Ohio.

A PECULIARITY of the recent election was that Nash polled 108,000 votes less than McKinley and McLean 108,000 less than Bryan.

THE Columbus Journal reports that a local option law, more stringent than the Harris law, will be introduced in the coming legislative session.

IN the excitement over Jones Cuyahoga county forgot to elect land appraisers and the decennial appraisalment will be delayed in consequence.

ALLIANCE school teachers have prohibited high school girls from wearing "friendship heart" bracelets. The girls were in the habit of stringing a dozen or two little metallic hearts on bracelets and the constant jingle "got on" the teachers' nerves. Probably that was why they wore them.

## LEGISLATIVE.

Columbus people are making efforts to have the biennial sessions of the legislature resolution repealed and annual sessions substituted. Some of the older members of the house want the salary made \$600 a year instead of \$600 a session, as at present.

## PROSPERITY.

One evidence of increasing prosperity in this city was furnished yesterday by the announcement of Deputy Collectors Chas. C. Green and J. K. Moffatt, of the county treasurer's office, that over \$11 000 in county taxes had been collected in this city in the two days they were here. This is much more than last year.

## OHIO'S FINANCES.

State Treasurer Campbell's report for the fiscal year just ended shows that there is now in the general revenue fund of the state \$1,033,623.55. This is more than twice as much as has been to the credit of this fund at any time for 20 years, except last year when it was \$596,026. Republican management of state affairs is always financially and politically sound.

## ELECTION LAW REVISION.

Secretary of State Kinney says that he hopes the new legislature will revise the entire election laws of the state. At present they are a Chinese puzzle in complications and contradictions. The primary laws especially need revising and in order that a satisfactory law may be drafted, it is probable all the boards of elections of the state will be asked to consider changes. Mr. Kinney has already made a rough draft of a bill that he will submit.

EAST LIVERPOOL, O., FRIDAY, NOV. 24.

FOR PRESIDENT--Second Term.  
**WM. M'KINLEY,**  
 of Ohio.

A PECULIARITY of the recent election was that Nash polled 108,000 votes less than McKinley and McLean 108,000 less than Bryan.

THE Columbus Journal reports that a local option law, more stringent than the Harris law, will be introduced in the coming legislative session.

IN the excitement over Jones Cuyahoga county forgot to elect land appraisers and the decennial appraisal will be delayed in consequence.

ALLIANCE school teachers have prohibited high school girls from wearing "friendship heart" bracelets. The girls were in the habit of stringing a dozen or two little metallic hearts on bracelets and the constant jingle "got on" the teachers' nerves. Probably that was why they wore them.

## LEGISLATIVE.

Columbus people are making efforts to have the biennial sessions of the legislature resolution repealed and annual sessions substituted. Some of the older members of the house want the salary made \$600 a year instead of \$600 a session, as at present.

## PROSPERITY.

One evidence of increasing prosperity in this city was furnished yesterday by the announcement of Deputy Collectors Chas. O. Green and J. K. Moffatt, of the county treasurer's office, that over \$11 000 in county taxes had been collected in this city in the two days they were here. This is much more than last year.

## OHIO'S FINANCES.

State Treasurer Campbell's report for the fiscal year just ended shows that there is now in the general revenue fund of the state \$1,033,623.55. This is more than twice as much as has been to the credit of this fund at any time for 20 years, except last year when it was \$596,026. Republican management of state affairs is always financially and politically sound.

## ELECTION LAW REVISION.

Secretary of State Kinney says that he hopes the new legislature will revise the entire election laws of the state. At present they are a Chinese puzzle in complications and contradictions. The primary laws especially need revising and in order that a satisfactory law may be drafted, it is probable all the boards of elections of the state will be asked to consider changes. Mr. Kinney has already made a rough draft of a bill that he will submit.

## NO SESSION OF COURT

Can Now Be Held This Term  
According to the Patriot.

### LISBON PAPER QUOTES THE LAW

And Asserts That Judge Smith's Holding  
Court In Wellsville Has Made It Im-  
possible to Open Court This Term and  
Cases Must Go Over to Next.

Judge Smith adjourned court before  
the election to reconvene at the county  
seat on Nov. 13, 1899. "Since that time,"  
says the Lisbon Patriot, "more than ten  
days have elapsed and common pleas  
court has not reconvened at the court  
house. If ten days go by after the time  
to which court adjourned then the court  
has lost jurisdiction for the term and  
nothing can be legally done until the  
next term, according to section 4969 of  
the revised statutes.

"It has been more than ten days since  
Judge Smith opened court 'at the place  
appointed for holding the court.' His  
attempt to hold court elsewhere does not  
cure the matter. He must open court  
on the day to which it adjourned, or  
in ten days thereafter, at the 'place  
appointed for holding the court,' other-  
wise he has lost jurisdiction for the  
term and the court stands adjourned by  
force of statute."

### NEW JEWELRY STORE.

A Fine Establishment in the  
Foutts & Stevenson  
Block.

East Liverpool is always eager to ac-  
cord a warm welcome to business men  
who give promise of becoming perma-  
nent residents—men who will become  
identified with the best interests of the  
place and assist in pushing along the  
car of progress. Mr. A. G. Hofman, a  
prominent jeweler, lately doing business  
in Bucyrus, Ohio, has come into our  
city to stay, bringing his family with  
him, and has opened up a superb jew-  
elry store on Market street, in the Foutts  
and Stevenson block. The newspapers  
of Bucyrus speak in warm terms of  
praise of Mr. Hofman and his family,  
and express regret that he has seen fit  
to remove his business house from that  
place and assert that he will be a desir-  
able addition to East Liverpool business  
circles. A. G. Hofman has been en-  
gaged at watchmaking and repairing  
for the last forty years, and is a skillful  
workman. He has a fine establishment,  
fully supplied with everything common  
to a first-class jewelry store, and he will  
take pleasure in catering to the wants  
of our people in this line, not aiming to  
do all of the jewelry trade of this hustl-  
ing city, but being satisfied with a fair  
share of patronage. His goods and  
prices cannot fail in finding favor with  
you, and he extends to you a cordial in-  
vitation to call and inspect his stock.  
Grand Army comrades will be pleased  
to know that Mr. Hofman is a veteran  
and a lover of the order.

### LISBON PAPER QUOTES THE LAW

And Asserts That Judge Smith's Holding  
Court In Wellsville Has Made It Im-  
possible to Open Court This Term and  
Cases Must Go Over to Next.

Judge Smith adjourned court before the election to reconvene at the county seat on Nov. 13, 1899. "Since that time," says the Lisbon Patriot, "more than ten days have elapsed and common pleas court has not reconvened at the court house. If ten days go by after the time to which court adjourned then the court has lost jurisdiction for the term and nothing can be legally done until the next term, according to section 4969 of the revised statutes.

"It has been more than ten days since Judge Smith opened court 'at the place appointed for holding the court.' His attempt to hold court elsewhere does not cure the matter. He must open court on the day to which it adjourned, or in ten days thereafter, at the 'place appointed for holding the court,' otherwise he has lost jurisdiction for the term and the court stands adjourned by force of statute."

### NEW JEWELRY STORE.

A Fine Establishment in the  
Foutts & Stevenson  
Block.

East Liverpool is always eager to accord a warm welcome to business men who give promise of becoming permanent residents—men who will become identified with the best interests of the place and assist in pushing along the car of progress. Mr. A. G. Hofman, a prominent jeweler, lately doing business in Bucyrus, Ohio, has come into our city to stay, bringing his family with him, and has opened up a superb jewelry store on Market street, in the Foutts and Stevenson block. The newspapers of Bucyrus speak in warm terms of praise of Mr. Hofman and his family, and express regret that he has seen fit to remove his business house from that place and assert that he will be a desirable addition to East Liverpool business circles. A. G. Hofman has been engaged at watchmaking and repairing for the last forty years, and is a skillful workman. He has a fine establishment, fully supplied with everything common to a first-class jewelry store, and he will take pleasure in catering to the wants of our people in this line, not aiming to do all of the jewelry trade of this hustling city, but being satisfied with a fair share of patronage. His goods and prices cannot fail in finding favor with you, and he extends to you a cordial invitation to call and inspect his stock. Grand Army comrades will be pleased to know that Mr. Hofman is a veteran and a lover of the order.

## AGUINALDO IN RAGS.

Spanish Corporal Saw Him at Bayambang.

### SECURED FRESH HORSES AND FLED

The Rebel Leader Was Even Minus a Hat—Insurgents From the North Reported Concentrating at Montalban and San Mateo—Fighting Near Iloilo.

MANILA, Nov. 24.—A Spanish corporal, captured by the Filipinos, arrived here from Tarlac. He said he saw Aguinaldo, accompanied by a prominent leader and 15 men, arrive at Bayambang (Dayamban?) during the night of Nov. 13, hatless, his clothes torn and spattered with mud and his horse exhausted. Aguinaldo, it appeared, rested for a time, seemed anxious, consulted with his companions and the villagers as to the nature of the roads, secured fresh horses and proceeded immediately toward Mangalaren, in Pangasinan province, west of Bayambang.

The corporal told a straight story, giving minute details. He was convinced he was not mistaken, having seen Aguinaldo several times during recent months. Aguinaldo, it appeared, would have had time to leave Bayambang Nov. 13 and pass through General Wheaton's lines Nov. 17.

MANILA, Nov. 24.—The insurgents from the north were concentrating at Montalban and San Mateo, where it was expected they will make resistance to the American advance. The Spaniards never occupied these places and the insurgents believe them to be impregnable.

A reconnaissance to the northwest of San Mateo on Tuesday developed the fact that the rebels were moving stores and men to Montalban. The number of insurgents is unknown.

A reconnaissance made showed that 200 rebels were entrenched at San Mateo and others in the valley between there and Marikina, where the rebel outposts are stationed.

General Young entered San Mateo last September and found the place not especially adapted for a strong resistance.

General MacArthur returned to Tarlac and established his headquarters at Aguinaldo's former residence.

During the entire movement from Gerona to Dagupan not a shot was fired. The inhabitants of San Carlos met the Americans with a band, formerly attached to the insurgent army, and the alcalde (mayor), with Gen. MacArthur and Colonel Bell in a carriage, headed a procession through the town. General MacArthur received an ovation. Explaining the Americans' intentions, he announced that they intended to garrison all the towns on the railroad.

Hundreds of men are in the fields, harvesting rice, along the railroad. The foreigners in the territory assert that Aguinaldo was not expecting the American advance for a month, when the rains would have finished. He had permitted a large part of his army to scatter to their homes and do the harvesting. The soldiers had hidden their rifles about their homes. If this is true, many rifles are likely to be brought in to secure the \$30 offered for each weapon seized.

The fording of Pampanga river above Tarlac by the Thirty-sixth infantry regiment and a battalion of the Seventh regiment was a noteworthy feat. The river is broad and swift. Part of the command was ferried over on rafts and the remainder came over holding on to a lifeline strung across.

General Wheaton, when General MacArthur communicated with him, was holding San Fabian and two or three neighboring towns.

Captain Leonhauser's capture of the town of O'Donnel was a remarkable stroke. His command consisted of three companies of the Twenty-fifth regiment, Captain Albright and Lieutenant Bates and Morton commanding. He started about 6 o'clock at night and marched about 15 miles in the mud.

The only regular approach was along a road and over a river whose bridge was strongly fortified. The entrance of the town was entrenched. The soldiers left the road and followed a cattle trail to the rear of the town. About daylight the command separated, one company advancing on the back of the town and the others flanking it. The insurgent force was asleep, except those at the outposts, who were captured without shooting. One platoon ran down the main street to a trench and the other detachment made a quick search of the houses.

An officer describing the scene said: "The negro soldiers were pouring out of every house, dragging sleepy, frightened Filipino warriors by the collar and kicking them into the street. It was a race to see which company would corner the most Filipinos. The women and children, believing the stories told that the negro soldiers were cannibals,

shrieked frightfully. After all the rifles had been secured the Filipinos were surprised by being told to go to their homes and attend to their work."

Severe fighting in the north of Iloilo began Tuesday, Nov. 21. Four Americans were killed and 25 wounded, including three officers.

Colonel Carpenter, Nov. 18, advanced to Santa Barbara, straight north from Jaro, taking trench after trench, the enemy fighting and retreating.

General Hughes' column has steadily been advancing north to gain a position west of Santa Barbara. It encountered the enemy in small detachments. So to ten Americans were wounded in this column.

Colonel Carpenter started during the night of Nov. 20 and opened with Battery G of the Sixth artillery at daybreak, Nov. 21, on the trenches. The enemy volleyed as the artillery took up a position, wounding four.

Two companies of the Twenty-sixth regiment, garrisoning Jaro, moved through Capas, attacking the enemy on the right flank, just north of Jaro, about daybreak, Nov. 21, driving them toward Colonel Carpenter.

The country between Jaro and Santa Barbara is thickly entrenched, especially near Pavia. The Sixth artillery fired on the trenches and the Eighteenth regiment charged, the enemy retreating to the next trench. The Eighteenth again charged, encountering and attacking a force of bolomen who were hidden in the long grass and who severely wounded several Americans. During the afternoon of Nov. 21 the fighting was severe immediately south of Pavia, three miles north of Jaro.

The Twenty-sixth companies returned to Jaro after the flank movement, having captured three six-pound smooth-bore cannon and a quantity of arms and ammunition.

The enemy's loss was not obtainable, but seven men were found dead in one trench.

The insurgents were falling back on Santa Barbara, which, it was expected, General Hughes had attacked before this.

### Filipino Junta Active.

NEW YORK, Nov. 24.—The Filipino junta at Hongkong is becoming more active as the meeting of congress draws nearer. Senator Fairbanks and other members of congress have received through the mails a pamphlet signed by Felipe Buencamino (Philip Good Road), so-called secretary for the foreign affairs for the Filipinos, setting forth the various reasons why his government should be recognized.

## AGUINALDO IN RAGS.

Spanish Corporal Saw Him at Bayombong.

### SECURED FRESH HORSES AND FLED

The Rebel Leader Was Even Minus a Hat—Insurgents From the North Reported Concentrating at Montalban and San Mateo—Fighting Near Iloilo.

MANILA, Nov. 24.—A Spanish corporal, captured by the Filipinos, arrived here from Tarlac. He said he saw Aguinaldo, accompanied by a prominent leader and 15 men, arrive at Bayambang (Dayamban?) during the night of Nov. 13, hatless, his clothes torn and spattered with mud and his horse exhausted. Aguinaldo, it appeared, rested for a time, seemed anxious, consulted with his companions and the villagers as to the nature of the roads, secured fresh horses and proceeded immediately toward Mangalaren, in Pangasinan province, west of Bayambang.

The corporal told a straight story, giving minute details. He was convinced he was not mistaken, having seen Aguinaldo several times during recent months. Aguinaldo, it appeared, would have had time to leave Bayambang Nov. 13 and pass through General Wheaton's lines Nov. 17.

MANILA, Nov. 24.—The insurgents from the north were concentrating at Montalban and San Mateo, where it was expected they will make resistance to the American advance. The Spaniards never occupied these places and the insurgents believe them to be impregnable.

A reconnaissance to the northwest of San Mateo on Tuesday developed the fact that the rebels were moving stores and men to Montalban. The number of insurgents is unknown.

A reconnaissance made showed that 200 rebels were entrenched at San Mateo and others in the valley between there and Marikina, where the rebel outposts are stationed.

General Young entered San Mateo last September and found the place not especially adapted for a strong resistance.

General MacArthur returned to Tarlac and established his headquarters at Aguinaldo's former residence.

During the entire movement from Gerona to Dagupan not a shot was fired. The inhabitants of San Carlos met the Americans with a band, formerly attached to the insurgent army, and the alcalde (mayor), with Gen. MacArthur and Colonel Bell in a carriage, headed a procession through the town. General MacArthur received an ovation. Explaining the Americans' intentions, he announced that they intended to garrison all the towns on the railroad.

Hundreds of men are in the fields, harvesting rice, along the railroad. The foreigners in the territory assert that Aguinaldo was not expecting the American advance for a month, when the rains would have finished. He had permitted a large part of his army to scatter to their homes and do the harvesting. The soldiers had hidden their rifles about their homes. If this is true, many rifles are likely to be brought in to secure the \$30 offered for each weapon seized.

The fording of Pampanga river above Tarlac by the Thirty-sixth infantry regiment and a battalion of the Seventeenth regiment was a noteworthy feat. The river is broad and swift. Part of the command was ferried over on rafts and the remainder came over holding on to a lifeline strung across.

General Wheaton, when General MacArthur communicated with him, was holding San Fabian and two or three neighboring towns.

Captain Leonhauser's capture of the town of O'Donnel was a remarkable stroke. His command consisted of three companies of the Twenty-fifth regiment, Captain Albright and Lieutenant Bates and Morton commanding. He started about 6 o'clock at night and marched about 15 miles in the mud.

The only regular approach was along a road and over a river whose bridge was strongly fortified. The entrance of the town was entrenched. The soldiers left the road and followed a cattle trail to the rear of the town. About daylight the command separated, one company advancing on the back of the town and the others flanking it. The insurgent force was asleep, except those at the outposts, who were captured without shooting. One platoon ran down the main street to a trench and the other detachment made a quick search of the houses.

An officer describing the scene said: "The negro soldiers were pouring out of every house, dragging sleepy, frightened Filipino warriors by the collar and knocking them into the street. It was a race to see which company would corner the most Filipinos. The women and children, believing the stories told that the negro soldiers were cannibals,

shrieked frightfully. After all the rifles had been secured the Filipinos were surprised by being told to go to their homes and attend to their work."

Severe fighting in the north of Iloilo began Tuesday, Nov. 21. Four Americans were killed and 25 wounded, including three officers.

Colonel Carpenter, Nov. 18, advanced to Santa Barbara, straight north from Jaro, taking trench after trench, the enemy fighting and retreating.

General Hughes' column has steadily been advancing north to gain a position west of Santa Barbara. It encountered the enemy in small detachments. Six to ten Americans were wounded in this column.

Colonel Carpenter started during the night of Nov. 20 and opened with Battery G of the Sixth artillery at daybreak, Nov. 21, on the trenches. The enemy volleyed as the artillery took up a position, wounding four.

Two companies of the Twenty-sixth regiment, garrisoning Jaro, moved through Capas, attacking the enemy on the right flank, just north of Jaro, about daybreak, Nov. 21, driving them toward Colonel Carpenter.

The country between Jaro and Santa Barbara is thickly entrenched, especially near Pavia. The Sixth artillery fired on the trenches and the Eighteenth regiment charged, the enemy retreating to the next trench. The Eighteenth again charged, encountering and attacking a force of bolomen who were in the long grass and who severely wounded several Americans. During the afternoon of Nov. 21 the fighting was severe immediately south of Pavia, three miles north of Jaro.

The Twenty-sixth companies returned to Jaro after the flank movement, having captured three six-pound smooth-bore cannon and a quantity of arms and ammunition.

The enemy's loss was not obtainable, but seven men were found dead in one trench.

The insurgents were falling back on Santa Barbara, which, it was expected, General Hughes had attacked before this.

## FALL OF ATLANTA

The Play Presented at the Grand Last Night Was Very Enjoyable.

"The Fall of Atlanta" was presented at the Grand last evening under the auspices of the Sons of Veterans. The company is composed of local talent but it compares very favorably with any of the theatrical companies that have been seen here this season. The play is one of the best military dramas ever written and there is not a weak spot in it. A pleasing feature of the show is the drill by the little girls and the singing of Miss Margaret Hamill. The tableaux are very beautiful and are worth the price of admission alone. Miss Ruby Kinsey represented the angel of peace instead of Miss Bertha Dunlap. The play will be presented at the Grand tonight and tomorrow night and every person should attend or they will miss a rare treat.

George M. Connell, as the Irish spy, could not be better, while Mr. Ingram, as Charles Armstrong, takes the part like an old actor. Mr. Dawson and Mr. Golding as Capt. Winder and Capt. Parker, the villains of the play, act their parts to perfection. Mr. Bailey, as Pompey, and Mr. Orr, as Hanes Snyder, furnish amusement for the audience. Miss Ella B. Hill as Cora Ralston, Miss Maud Nicholls as Hattie Calhoun and Miss Margaret Hamill as Nellie Armstrong, are very good in their parts. The balance of the cast is equally strong.

## AN OFFICER HERE.

Ensign Coup, who has had charge of the Salvation Army in Pittsburg, stopped off in this city yesterday to visit friends. She left on the afternoon train for Wheeling where she will take charge of the Salvation Army in that city.

### FALL OF ATLANTA

The Play Presented at the Grand Last Night Was Very Enjoyable.

"The Fall of Atlanta" was presented at the Grand last evening under the auspices of the Sons of Veterans. The company is composed of local talent but it compares very favorably with any of the theatrical companies that have been seen here this season. The play is one of the best military dramas ever written and there is not a weak spot in it. A pleasing feature of the show is the drill by the little girls and the singing of Miss Margaret Hamill. The tableaux are very beautiful and are worth the price of admission alone. Miss Ruby Kinsey represented the angel of peace instead of Miss Bertha Dunlap. The play will be presented at the Grand tonight and tomorrow night and every person should attend or they will miss a rare treat.

George M. Connell, as the Irish spy, could not be better, while Mr. Ingram, as Charles Armstrong, takes the part like an old actor. Mr. Dawson and Mr. Golding as Capt. Winder and Capt. Parker, the villains of the play, act their parts to perfection. Mr. Bailey, as Pompey, and Mr. Orr, as Hanes Snyder, furnish amusement for the audience. Miss Ella B. Hill as Cora Ralston, Miss Maud Nicholls as Hattie Calhoun and Miss Margaret Hamill as Nellie Armstrong, are very good in their parts. The balance of the cast is equally strong.

### AN OFFICER HERE.

Ensign Coup, of the Salvation Army, Was In The City Yesterday.

Ensign Coup, who has had charge of the Salvation Army in Pittsburg, stopped off in this city yesterday to visit friends. She left on the afternoon train for Wheeling where she will take charge of the Salvation Army in that city.

Still Sore.

It is more than intimated that the resignation of Judge Smith will be handed to Governor Bushnell before he eats his Christmas turkey. The people of the county seat have the greatest respect for Judge Smith, but they cannot suppress a feeling of satisfaction that his resignation will be promptly followed by the permanent location of the common pleas court at the county seat.—Buckeye State.

## GOT A DOLLAR DAMAGE

Verdict For Call In His Suit  
Against Grim.

### EACH PAYS HIS OWN COSTS

Broone, Who Also Sued Grim, Has Disappeared and Call Thinks He Has Gone South—His Suit Has Fallen Through. Merely a Nominal Verdict For Call.

After being out four hours the jury at Wellsville yesterday returned a verdict in the Call vs. Grim case in favor of the plaintiff by ordering the defendant to pay a judgment of \$1.

The costs for the defense will amount to about \$25, while that for the plaintiff will amount to not more than \$15. Each side will pay their own portion.

Referring to Pearl Broone, who also entered suit against Officer Grim, Call said: "Broone sold his shanty boat last Friday for \$150, and the last I saw of him was when he advised me that he did not intend to testify. The boat was tied to the shore near the flint mill, but it is not there now, and I suppose he cut it loose and started down the river."

## BOERS WERE ROUTED.

Methuen's Forces Whipped  
Them Near Belmont.

### THE BURGHERS' LOSS WAS HEAVY.

British Also Had Number Killed and Wounded—Methuen Buried Many Boer Dead, but Most Were Carried Off Praised Burghers' Courage.

LONDON, Nov. 24.—The secretary of war received the following dispatch through General Forestier-Walker from General Methuen, dated Belmont, Nov. 23:

"Attacked the enemy at daybreak this morning. He was in a strong position. Three ridges were carried in succession, the last attack being prepared by shrapnel. Infantry behaved splendidly and received support from the naval brigade and artillery. The enemy

LIEUTENANT GENERAL LORD METHUEN.

fought with courage and skill. Had I attacked later I should have had far heavier loss.

"Our victory was complete. Have taken 40 prisoners. Am burying a good number of the Boers, but the greater part of the enemy's killed and wounded were removed by their comrades. Have captured a large number of horses and cows and destroyed a large quantity of ammunition."

"Brigadier General Fetherstonhaugh was severely wounded in the shoulder, and Lieutenant Colonel Crabbe of the Grenadier guards is reported wounded. Our other casualties are the following:

"Grenadier guards, Third battalion, killed, Lieutenant Fryer.

"Wounded, Lieutenant Blundell, dangerously.

"Grenadier guards, second battalion, wounded, Lieutenant Leslie, Lieutenant Vaughan, Lieutenant Gurdon-Rebow and Lieutenant Russell.

"Reported wounded, Lieutenants Lyon and Cameron.

"Grenadier guards, rank and file, killed, 26; wounded, 36; missing, 13.

"Coldstream Guards, First battalion, wounded, Lieutenant Grant.

"Coldstream Guards, Second battalion, wounded, Lieutenant the Hon. C. Willoughby and Lieutenant Burton, the latter severely.

"Coldstream Guards, rank and file, killed, 8; wounded, 23; missing, 5.

"Scots Guards, First battalion, wounded, Major the Hon. North Dalrymple-Hamilton, severely; Lieutenants Buikely and Alexander.

"Scots Guards, rank and file, killed, 9; wounded, 34.

"Northumberland Fusiliers, First battalion, killed, Captain Regar and Lieutenant Brine.

"Wounded, Major Dashwood and Lieutenant Festing, dangerously; Captain Sapta and Lieutenant Fishbourne, severely.

"Northumberland Fusiliers, rank and file, killed, 13; wounded, 32.

"Northamptonshire Regiment, Second battalion, wounded, Captain Freeland and Lieutenant Barton, severely.

"South Yorkshire Regiment, Second battalion, rank and file, wounded, 3."

The war office received the following dispatch from General Forestier-Walker at Cape Town:

"General Gatacre reports having yesterday (Wednesday) encamped a bat-

talion of infantry near Pekaars Kraal, and that reinforcements of mounted troops, with half a battalion of infantry, arrived at the same camp today.

"The Dutch rising continues in the Broken Nal districts. The police at Molten's report that armed Dutch have left Cradock (Cape Colony) to join the rebels at Broken Nal, taking with them armed natives.

"General French conducted a reconnaissance toward Arundel, which he found held in strength. He withdrew with three men wounded.

"The Boers are reported moving from Natal to the vicinity of Bloemfontein. Telegraphic communication with Belmont has been reopened and a heavy engagement is reported. The postmaster at Hopetown reports that the Kuman people have defeated the north rebels."

The war office issued a dispatch from Cape Town which was a brief official diary of events at Kimberley from Nov. 12 to Nov. 17. It showed that no serious engagement occurred between those dates, that the British losses had been infinitely small and Boer losses were probably very small. The final entry indicated that the Boers, anticipating the advance of the relief column under General Methuen, had taken up defensive positions to the south of the town.

An official dispatch from Sir Alfred Milner to Mr. Chamberlain reported that thus far the efforts of the Boers to provoke an uprising among the Basutos, or to start a civil war, had been unsuccessful.

DURBAN, Nov. 24.—The Natal Times said:

"During the night attack on Sunday, General White captured several Boer positions, with guns and much material."

## FUNERAL TO BE SIMPLE.

Arrangements Made For Services Over  
Hobart's Remains—Special  
Trains to Paterson.

NEW YORK, Nov. 24.—President McKinley, the members of his cabinet and the judges of the supreme court of the United States will arrive at the Broadway station of the Susquehanna railroad, Paterson, N. J., about 12:50 p. m. Saturday for the purpose of attending the funeral of the late Garrett A. Hobart, vice president of the United States.

Colonel Richard Bright, sergeant-at-arms of the senate, arrived at Paterson for the purpose of making arrangements for their reception. A special train bearing the members of congress will also arrive at Paterson about 1:10 p. m., and the train of the New Jersey state officials is expected to arrive about 1:40 p. m.

The funeral services at Carroll Hall, the home of the late vice president, will be short and simple, the reading of the scriptures and prayer completing the program there. The service at the Church of the Redeemer will occupy less than one hour. Rev. Dr. Magie will preach and prayers will be offered by Rev. Dr. Milburn, the blind chaplain of the senate, and Rev. Dr. Shaw of Paterson. The only vocal music rendered at the church service will consist of two pieces produced by the Orpheus club. Mr. Hobart has been a subscribing member of the club from its inception, about six years ago. One of the pieces will be "Nearer, My God, to Thee," a favorite of Mr. Hobart's, to be sung by request of Mrs. Hobart.

Vice President Hobart during the long illness preceding his death selected his pallbearers. The following persons are believed to have been designated to act in this capacity:

Judge J. Franklin Fort of Newark, Franklin Murphy of Newark, E. T. Bell of Paterson, Colonel William Barber of Paterson, George Warts, secretary of state of New Jersey, and Colonel Joseph W. Congdon of the staff of Governor Voorhees of New Jersey.

The body will be placed in a receiving vault at Cedar Lawn and it will be ten days later before the remains will be interred.

All the federal government offices in the financial district of New York city will be closed tomorrow as a mark of respect to the late vice president. It is also expected that a number of the business exchanges will close in consequence of the funeral.

Attorney General Griggs will entertain the presidential party at his home.

At a special meeting of the board of aldermen Mayor Hunchliffe appointed a committee to entertain the two companies of artillery from Governors Island that will do guard and escort duty during the funeral services. It has been decided that only the members of the Hobart family and immediate friends will accompany the remains of the vice president to Cedar Lawn.

Neal For Standard Company—Time  
Given State's Attorneys.

COLUMBUS, Nov. 24.—The supreme court listened to arguments in the Standard oil cases, involving the constitutionality of the anti-trust law. Attorney General Monnett was given an hour in which to make his arguments and Hon. L. T. Neal, who was the only attorney present for the Standard Oil company, made an oral argument.

The court suggested that it would be well for the attorneys for the state to confine their line of argument, so far as possible, in a reply to a brief filed by the defendants.

The court gave the attorneys for the state five days in which to have their arguments in and filed with the court.

### THE CASE OF DR. SCHELL.

Epworth League Board Adopted a Report,  
at Cincinnati.

CINCINNATI, Nov. 24.—The board of control of the Epworth League continued its executive session here. The committee appointed to report what should be done by the board made a report reciting that the Epworth League was being injured by reason of the continued agitation of the case of Dr. Schell, and to the common misconception of the meaning of the resolutions adopted by the board at its meeting at Indianapolis when the case was investigated. The report declared that those resolutions were not intended to charge Dr. Schell with immoral conduct, but only with an impropriety. Long arguments followed a motion to adopt the report.

Dr. Schell is quoted as saying that even if this board decides to ask his resignation he will not resign, but will appeal to the general conference, which meets in May, 1900.

The report of the committee was adopted by a majority vote. The figures of the vote are not given.

Maintenance of the investigation of the case was going on.

### Brotherhood of St. Andrew.

COLUMBUS, Nov. 24.—At the recent convention of the Brotherhood of St. Andrew, held in this city, the time and place of the next convention was referred to the executive committee and that body has just decided on Richmond, Oct. 10 to 14, 1900. General Secretary John W. Wood presented his resignation at the same meeting of the committee, which was held in Philadelphia. John H. Peyton resigned as army secretary and the army committee was instructed to discontinue its work in the Philippines.

### CONDEMNED THE PRESIDENT.

Anti-Administration Resolutions Adopted  
by K. of L. Assembly.

BOSTON, Nov. 24.—The general assembly of the Knights of Labor concluded its business and adjourned to meet in Birmingham, Ala., November, 1900.

The chief feature of the closing sessions was the adoption of resolutions condemning President McKinley's policy on the trust, imperialism and labor questions, declaring him to be the enemy of labor and asking labor to use its influence and votes against him in the coming election.

Resolutions were also adopted denouncing national banks and favoring the abolition of indirect taxation; the abolition of contract system on all public works, the unlimited coinage of silver at the present legal ratio; the establishment of postal deposit and savings banks at every postoffice and the election of president, vice president, supreme court judges and United States senators by the direct vote of the people.

WASHINGTON, Nov. 24.—The statement from Santiago that General Wood is coming to Washington is confirmed in official circles here. Secretary Root admitted that General Wood was coming here on "business," but he declined to indicate its nature. The Santiago dispatch intimated it was expected he would become civil governor of Cuba.

After many weeks of waiting the Homer Laughlin pottery plant No 2 was placed in operation yesterday morning. The big plant is not working in full and will not be before the middle of next month. The first piece of ware made by a presser was by Porter Herbert, who made a pitcher of the new colonial shape the company will place on the market. The first jigger was started by Samuel P. Jones, who made a seven inch plate. Jones has been in the employ of the Laughlin company, according to Manager Harker, for almost 25 years. The sliproom is in charge of David McRea and already 50 presses of clay have been made and placed in the storeroom. The saggerroom is in charge of Mr. Jolly and the engineroom for the present is under the supervision of Gene Jester. Taking everything into consideration the new pottery is one of the most complete in the country and when operating full will employ nearly 450 people.

### EVERY FIVE YEARS.

County Auditors Favor a Change From Decennial Land Appraisalment.

The convention of county auditors at Columbus adopted a resolution favoring a county land appraisalment every five years instead of every ten as at present.

They also resolved that auditors ought to be paid extra for making plats for the land appraisers. They favor the abolition of the state school levy and think school funds should be raised by the counties; the abolition and reduction of boards of equalization from six members to two; and the creation of a judicial fund to relieve overdrawn county funds.

Jones Outlines What They Should Do In Congress—Opposed to Seating Quay.

WASHINGTON, Nov. 24.—Senator Jones, national Democratic chairman, said he thought the Democrats in congress the coming session should fight gold standard legislation, abolition of greenbacks and extension of privileges to national banks. Hawaiians should be admitted to full citizenship. As Christians, we should not force any government on the Cubans or Filipinos without the consent of the government. He does not favor seating Senator Quay.

### The Kentucky Election.

LOUISVILLE, Nov. 24.—The last of the official returns have now been certified by the official boards of canvassers, and probably within a week the state election commissioners at Frankfort will begin their task. The Jefferson county canvassers heard argument on a motion to throw out the vote of the city of Louisville, on the ground of alleged intimidation by soldiers. The Republicans took the ground that the board had no jurisdiction. This view was sustained. A number of additional indictments were returned by the federal grand jury against alleged violators of election laws.

### Silver Republicans to Meet.

EAST LIVERPOOL, O., FRIDAY, NOV. 24.

FOR PRESIDENT--Second Term.  
WM. MCKINLEY,  
Of Ohio.

A PECULIARITY of the recent election was that Nash polled 108,000 votes less than McKinley and McLean 108,000 less than Bryan.

THE Columbus Journal reports that a local option law, more stringent than the Harris law, will be introduced in the coming legislative session.

In the excitement over Jones Cuyahoga county forgot to elect land appraisers and the decennial appraisement will be delayed in consequence.

ALLIANCE school teachers have prohibited high school girls from wearing "friendship heart" bracelets. The girls were in the habit of stringing a dozen or two little metallic hearts on bracelets and the constant jingle "got on" the teachers' nerves. Probably that was why they wore them.

## LEGISLATIVE.

Columbus people are making efforts to have the biennial sessions of the legislature resolution repealed and annual sessions substituted. Some of the older members of the house want the salary made \$600 a year instead of \$600 a session, as at present.

## PROSPERITY.

One evidence of increasing prosperity in this city was furnished yesterday by the announcement of Deputy Collectors Chas. C. Green and J. K. Moffatt, of the county treasurer's office, that over \$11 000 in county taxes had been collected in this city in the two days they were here. This is much more than last year.

## OHIO'S FINANCES.

State Treasurer Campbell's report for the fiscal year just ended shows that there is now in the general revenue fund of the state \$1,033,623.55. This is more than twice as much as has been to the credit of this fund at any time for 20 years, except last year when it was \$596,026. Republican management of state affairs is always financially and politically sound.

## ELECTION LAW REVISION.

Secretary of State Kinney says that he hopes the new legislature will revise the entire election laws of the state. At present they are a Chinese puzzle in complications and contradictions. The primary laws especially need revising and in order that a satisfactory law may be drafted, it is probable all the boards of elections of the state will be asked to consider changes. Mr. Kinney has already made a rough draft of a bill that he will submit.

## NO SESSION OF COURT

Can Now Be Held This Term  
According to the Patriot.

### LISBON PAPER QUOTES THE LAW

And Asserts That Judge Smith's Holding  
Court In Wellsville Has Made It Im-  
possible to Open Court This Term and  
Cases Must Go Over to Next.

Judge Smith adjourned court before  
the election to reconvene at the county  
seat on Nov. 13, 1899. "Since that time,"  
says the Lisbon Patriot, "more than ten  
days have elapsed and common pleas  
court has not reconvened at the court  
house. If ten days go by after the time  
to which court adjourned then the court  
has lost jurisdiction for the term and  
nothing can be legally done until the  
next term, according to section 4969 of  
the revised statutes.

"It has been more than ten days since  
Judge Smith opened court 'at the place  
appointed for holding the court.' His  
attempt to hold court elsewhere does not  
cure the matter. He must open court  
on the day to which it adjourned, or  
in ten days thereafter, at the 'place  
appointed for holding the court,' other-  
wise he has lost jurisdiction for the  
term and the court stands adjourned by  
force of statute."

### NEW JEWELRY STORE.

A Fine Establishment in the  
Foutts & Stevenson  
Block.

East Liverpool is always eager to ac-  
cord a warm welcome to business men  
who give promise of becoming perma-  
nent residents—men who will become  
identified with the best interests of the  
place and assist in pushing along the  
car of progress. Mr. A. G. Hofman, a  
prominent jeweler, lately doing business  
in Bucyrus, Ohio, has come into our  
city to stay, bringing his family with  
him, and has opened up a superb jew-  
elry store on Market street, in the Foutts  
and Stevenson block. The newspapers  
of Bucyrus speak in warm terms of  
praise of Mr. Hofman and his family,  
and express regret that he has seen fit  
to remove his business house from that  
place and assert that he will be a desir-  
able addition to East Liverpool business  
circles. A. G. Hofman has been en-  
gaged at watchmaking and repairing  
for the last forty years, and is a skillful  
workman. He has a fine establishment,  
fully supplied with everything common  
to a first-class jewelry store, and he will  
take pleasure in catering to the wants  
of our people in this line, not aiming to  
do all of the jewelry trade of this hust-  
ling city, but being satisfied with a fair  
share of patronage. His goods and  
prices cannot fail in finding favor with  
you, and he extends to you a cordial in-  
vitation to call and inspect his stock.  
Grand Army comrades will be pleased  
to know that Mr. Hofman is a veteran  
and a lover of the order.

### DEWEY HAS DEFENDERS.

Many Letters and Telegrams Received.  
Invited to Wheeling and Chicago.  
Given a Fine Vase.

WASHINGTON, Nov. 24.—A delegation  
from Wheeling called on Admiral  
Dewey and extended an invitation to  
him to visit that city on Feb. 22 next.  
The admiral accepted the invitation.  
He was presented by the committee  
with a superb sevre's jardiniere.

Lieutenant Crawford gave out the  
following statement on behalf of the  
admiral:

"Admiral Dewey has received many  
hundreds of letters and telegrams from  
persons in all walks of life and in all  
sections of the country, from Maine to  
Texas, assuring him that he is not with-  
out defenders, and expressing their sin-  
cere sympathy with him in connection  
with the recent attack upon him. These  
letters and telegrams are far too nume-

ous to receive personal acknowl-  
edgment, but the admiral is deeply grateful  
to their senders, and desires to assure  
them of his hearty appreciation of their  
kind consideration for him."

CHICAGO, Nov. 24.—The Chicago  
Dewey committee, owing to the recent  
criticism of Admiral Dewey, urged an  
early acceptance of Chicago's invita-  
tion to visit this city. The date is  
named as May 1 of next year, and he is  
assured that Chicago citizens do not  
approve of the storm of criticism re-  
cently raised.

Mayor Harrison supplemented the  
committee's communication by a per-  
sonal telegram urging the admiral to  
accept the invitation.

## AGUINALDO IN RAGS.

Spanish Corporal Saw Him at Bayombong.

### SECURED FRESH HORSES AND FLED

The Rebel Leader Was Even Minus a Hat—Insurgents From the North Reported Concentrating at Montalban and San Mateo—Fighting Near Iloilo.

MANILA, Nov. 24.—A Spanish corporal, captured by the Filipinos, arrived here from Tarlac. He said he saw Aguinaldo, accompanied by a prominent leader and 15 men, arrive at Bayambang (Dayamban?) during the night of Nov. 13, hatless, his clothes torn and spattered with mud and his horse exhausted. Aguinaldo, it appeared, rested for a time, seemed anxious, consulted with his companions and the villagers as to the nature of the roads, secured fresh horses and proceeded immediately toward Mangalaren, in Pangasinan province, west of Bayambang.

The corporal told a straight story, giving minute details. He was convinced he was not mistaken, having seen Aguinaldo several times during recent months. Aguinaldo, it appeared, would have had time to leave Bayambang Nov. 13 and pass through General Wheaton's lines Nov. 17.

MANILA, Nov. 24.—The insurgents from the north were concentrating at Montalban and San Mateo, where it was expected they will make resistance to the American advance. The Spaniards never occupied these places and the insurgents believe them to be impregnable.

A reconnaissance to the northwest of San Mateo on Tuesday developed the fact that the rebels were moving stores and men to Montalban. The number of insurgents is unknown.

A reconnaissance made showed that 200 rebels were entrenched at San Mateo and others in the valley between there and Marikina, where the rebel outposts are stationed.

General Young entered San Mateo last September and found the place not especially adapted for a strong resistance.

General MacArthur returned to Tarlac and established his headquarters at Aguinaldo's former residence.

During the entire movement from Gerona to Dagupan not a shot was fired. The inhabitants of San Carlos met the Americans with a band, formerly attached to the insurgent army, and the alcalde (mayor), with Gen. MacArthur and Colonel Bell in a carriage, headed a procession through the town. General MacArthur received an ovation. Explaining the Americans' intentions, he announced that they intended to garrison all the towns on the railroad.

Hundreds of men are in the fields, harvesting rice, along the railroad. The foreigners in the territory assert that Aguinaldo was not expecting the American advance for a month, when the rains would have finished. He had permitted a large part of his army to scatter to their homes and do the harvesting. The soldiers had hidden their rifles about their homes. If this is true, many rifles are likely to be brought in to secure the \$30 offered for each weapon seized.

The fording of Pampanga river above Tarlac by the Thirty-sixth infantry regiment and a battalion of the Seventeenth regiment was a noteworthy feat. The river is broad and swift. Part of the command was ferried over on rafts and the remainder came over holding on to a lifeline strung across.

General Wheaton, when General MacArthur communicated with him, was holding San Fabian and two or three neighboring towns.

Captain Leonhauser's capture of the town of O'Donnell was a remarkable stroke. His command consisted of three companies of the Twenty-fifth regiment, Captain Albright and Lieutenant Bates and Morton commanding. He started about 6 o'clock at night and marched about 15 miles in the mud.

The only regular approach was along a road and over a river whose bridge was strongly fortified. The entrance of the town was entrenched. The soldiers left the road and followed a cattle trail to the rear of the town. About daylight the command separated, one company advancing on the back of the town and the others flanking it. The insurgent force was asleep, except those at the outposts, who were captured without shooting. One platoon ran down the main street to a trench and the other detachment made a quick search of the houses.

An officer describing the scene said: "The negro soldiers were pouring out of every house, dragging sleepy, frightened Filipino warriors by the collar and kicking them into the street. It was a race to see which company would corner the most Filipinos. The women and children, believing the stories told that the negro soldiers were cannibals,

shrieked frightfully. After all the rifles had been secured the Filipinos were surprised by being told to go to their homes and attend to their work."

Severe fighting in the north of Iloilo began Tuesday, Nov. 21. Four Americans were killed and 25 wounded, including three officers.

Colonel Carpenter, Nov. 18, advanced to Santa Barbara, straight north from Jaro, taking trench after trench, the enemy fighting and retreating.

General Hughes' column has steadily been advancing north to gain a position west of Santa Barbara. It encountered the enemy in small detachments. So to ten Americans were wounded in this column.

Colonel Carpenter started during the night of Nov. 20 and opened with Battery G of the Sixth artillery at daybreak, Nov. 21, on the trenches. The enemy volleyed as the artillery took up a position, wounding four.

Two companies of the Twenty-sixth regiment, garrisoning Jaro, moved through Capas, attacking the enemy on the right flank, just north of Jaro, about daybreak, Nov. 21, driving them toward Colonel Carpenter.

The country between Jaro and Santa Barbara is thickly entrenched, especially near Pavia. The Sixth artillery fired on the trenches and the Eighteenth regiment charged, the enemy retreating to the next trench. The Eighteenth again charged, encountering and attacking a force of bolomen who were in the long grass and who severely wounded several Americans. During the afternoon of Nov. 21 the fighting was severe immediately south of Pavia, three miles north of Jaro.

The Twenty-sixth companies returned to Jaro after the flank movement, having captured three six-pound smooth-bore cannon and a quantity of arms and ammunition.

The enemy's loss was not obtainable, but seven men were found dead in one trench.

The insurgents were falling back on Santa Barbara, which, it was expected, General Hughes had attacked before this.

#### Filipino Junta Active.

NEW YORK, Nov. 24.—The Filipino junta at Hongkong is becoming more active as the meeting of congress draws nearer. Senator Fairbanks and other members of congress have received through the mails a pamphlet signed by Felipe Buencamino (Philip Good Road), so-called secretary for the foreign affairs for the Filipinos, setting forth the various reasons why his government should be recognized.

"The Fall of Atlanta" was presented at the Grand last evening under the auspices of the Sons of Veterans. The company is composed of local talent but it compares very favorably with any of the theatrical companies that have been seen here this season. The play is one of the best military dramas ever written and there is not a weak spot in it. A pleasing feature of the show is the drill by the little girls and the singing of Miss Margaret Hamill. The tableaux are very beautiful and are worth the price of admission alone. Miss Ruby Kinsey represented the angel of peace instead of Miss Bertha Dunlap. The play will be presented at the Grand tonight and tomorrow night and every person should attend or they will miss a rare treat.

George M. Connell, as the Irish spy, could not be better, while Mr. Ingram, as Charles Armstrong, takes the part like an old actor. Mr. Dawson and Mr. Golding as Capt. Winder and Capt. Parker, the villains of the play, act their parts to perfection. Mr. Bailey, as Pompey, and Mr. Orr, as Hanes Snyder, furnish amusement for the audience. Miss Ella B. Hill as Cora Ralston, Miss Maud Nicholls as Hattie Calhoun and Miss Margaret Hamill as Nellie Armstrong, are very good in their parts. The balance of the cast is equally strong.

## Still Sore.

It is more than intimated that the resignation of Judge Smith will be handed to Governor Bushnell before he eats his Christmas turkey. The people of the county seat have the greatest respect for Judge Smith, but they cannot suppress a feeling of satisfaction that his resignation will be promptly followed by the permanent location of the common pleas court at the county seat.—Buckeye State.
